

# Ref Point Update – 10/17/24

Every U10, U12, U14 U16 and U19 team is required to support our referee program (see [www.ayso304.org](http://www.ayso304.org) for details). Teams are awarded a point for every game that their team referee covers (maximum of FOUR points per weekend). Failure to meet team requirements may restrict the team's participation in region and area playoffs.

Reminder to print your name and team you are refereeing for in the format U, age group, B/G and team number i.e. U14G2. Please do not put team names it causes more work. Please ensure all information on game cards are filled in. This includes who sat out, goalie, date, field #, time and scores, etc. Listing the team name or coaches name is not the correct format to receive points.

Here is the referee point totals by team after Game 7. Teams in green have completed their ref points. Teams in yellow need 3 weeks to complete their points with 3 weeks left. Teams in orange need 2 weeks to complete their points with 3 weeks left. Please talk to us at the ref table (or email [northoxnardrra@gmail.com](mailto:northoxnardrra@gmail.com)) if you have any questions regarding these point totals. These statistics will become final in two weeks.
